

# Master Keys Of Life

Unlock Your Purpose – Live Your Dreams

## I.D.E.A.S.

1. A thought or suggestion as to a possible course of action.
2. The aim or purpose.

**Everything** in this room began with an idea that was talked about, planned out, and acted on.

**Highly Valuable** people **think** about, **talk** about, and **act** on ideas! (Factory workers to CEO's)

**Master Keys Of Life Will Give You The Tools to Master Your Ideas!**

**Inspired** – Stay inspired by anyone of any age and anything – in different ways/areas.

**Mine:** AGT's; "Rudy" Movies; Heroes-Hacksaw Ridge; Biographies - **Edison**; My Sister  
**What/who do you go to for inspiration when you need it?**

**Dream BIG!** – Study Big Dreamers: JFK - the moon; John Goddard; Elon Musk; **Edison**;

**Edison** – *"I want to Create things that will help people live better lives."*

**Mine:** Professional performer; Surf Oahu; TV & Radio; Travel the World; Best selling author; All ages/media/ continents; #99 includes talking to you today & teaching this course next semester;

**"What's your dream?"** (ask who has one)

**"How can you make it bigger?"** (You'll learn how dreams expand in MKL course.)

**Educate Yourself** – Spend money on your brain!: Formal vs. Self education; Internet is free university – but be careful to confirm what you see is truth; Libraries are free education; become a professional asker – no such thing as a bad or dumb question if it's sincere; Seek out great mentors. (**Edison's** mom and his inspiring, insatiable self-education)

**Mine:** Books; mentors; conferences; buy courses; internet; Library;

**What will you need to learn to accomplish your dream?**

**Where/from whom will you get that education?** (You'll learn how in MKL course.)

**Activate Your Plan** – You **must plan** your dream – then you must **do** something every day to fulfill your dream, stay inspired, and educate yourself.

(**Edison** – patent every 2 wks - 1093 *"Genius is 1% Inspiration and 99% perspiration!"*)

**No one but you is responsible for your dream. No one but you must get it done.**

In MKL you'll learn how to set goals, plan them, achieve them – and grow beyond them.

**Sing/Shout/Send Your Vision** – Tell **yourself** about your dream; Be **bold** to declare your dream because of your **knowledge** and **planning**, not just your desires; Take your dream to the **world** – whatever part of this world you feel you need to reach with your dream.

In MKL you'll learn how to create compelling communication pieces for sharing with others.

**Ignore dream bullies & doubters – run with dreamers!** (You'll learn how in MKL course)

**This Course is for you if:**

1. You have a dream.
2. You don't have a dream.
3. You want a dream.
4. You're curious about how to make your dream come true.

**This Course is not for you if:**

1. You don't want to work hard on improving yourself.
2. You don't want to work on fulfilling your dreams.
3. You don't want to become more than you ever thought possible.

**Definitions:**

1. **Inspire** - fill (someone) with the urge or ability to do or feel something, especially to do something creative; breathe in (air); inhale
2. **Dream** - contemplate the **possibility** of **doing** something; To **think**, consider, conceive.
3. **Educate** - give intellectual, moral, and social **instruction** to someone; **provide or pay** for instruction; give (someone) training in or information on a **particular** field
4. **Activate** - **make** (something) active or operative; set **motion**, initiate, energize
5. **Shout** – utter a **loud** call or cry, typically as an expression of a strong **emotion**; or calling **attention** to something;

**Edison Invented and/or greatly improved:**

Telegraph; teletype; telephone; xray machines; phonographs; motion picture cameras; batteries; light bulb; electrical power plants; electrical grids; created General Electric Company; is credited with building the framework of all modern technology!

**Started out with a dream to make enough money to buy chemicals and instruments for his small home laboratory.**
